

COLLABORATIVE LEARNER JOURNEY

Collaborative online learning offers myriad opportunities to interact. Here's an example of a typical learner's journey through a program on Intrepid's platform.

STEP 01

SOCIAL PROFILE

Fill out your social profile and learn more about your cohort (ex: search for people with similar expertise, or located near you)

STEP 02

WORKSPACE INTRODUCTIONS

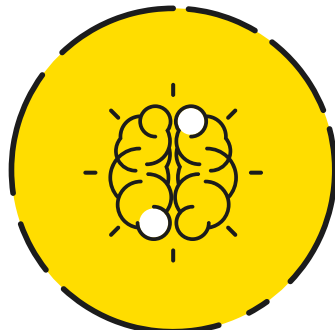

Go to your Group Workspace and introduce yourself to other people you'll be collaborating with

STEP 03

MEET YOUR LEADERS

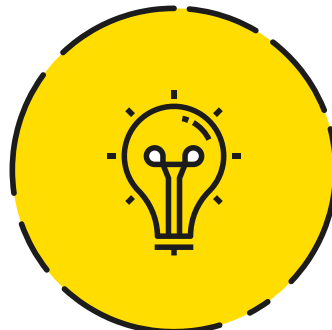

Read and comment on moderator and instructor introductions

STEP 06

LEARN FROM OTHERS

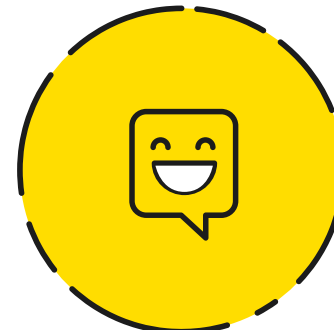

Comment and like first Missions submitted by others in your cohort

STEP 05

SOLVE ON-THE-JOB PROBLEM

Work together on an on-the-job group project in your Workspace

STEP 04

DISCUSS!

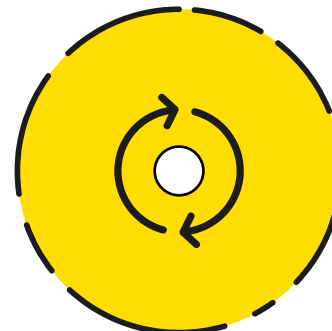

Participate in a discussion forum

STEP 07

HELP OTHERS LEARN

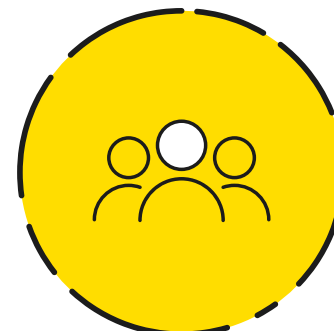

Peer review other groups' projects

STEP 08

REPEAT

Repeat steps 4-9 throughout the course

STEP 09

NETWORK

Continue to connect with your colleagues about this topic and their expertise after the course is "complete"
