

Four Reasons VitalSource is the Right Partner for your EA program

Make the shift to a digital-first Equitable Access program and create a superior campus experience.

1

Price your program right from the start and make informed decisions with actionable insights and administration-ready reports.

2

Give instructors an adoption experience they'll love and get adoptions back in record time.

3

Source all digital course materials conveniently through VitalSource.

4

Ensure every student has access to every required course material, digital or print, by day one.

Discover the Power of Equitable Access.
