

Launch Your E-Commerce in Six Steps

Today's retailers understand that expanding their customer reach and growing sales requires an online presence. VitalSource has options for a range of partners. Have a developer on your team? Use our API to get your online store up and running in six easy steps.

REFUND CONTENT

Customer dissatisfied with a purchase? It happens. We're set up to help you manage your refunds. Flexible levels of automation mean you remain in control.

06

USER EXPERIENCE

Customers want flexibility. We support both customer account creation and the ability for them to skip registration when using the Bookshelf® eReader.

05

SSO LOGIN

Ensure your customers have a smooth reading experience and encourage repeat visits to your site by implementing single sign-on for their accounts.

04

ASSIGN CONTENT

Create codes for user redemption effortlessly and seamlessly, including individual or bulk redemption codes. Flexible levels of automation mean you remain in control.

03

INVENTORY

Manage your inventory and easily populate your site with our product API. Full metadata, including cover art, will be provided.

02

ACCOUNT SET UP

VitalSource will provide you with both a Customer Success and Integrations Manager to ensure your business' needs are met and guide you through the entire API integration.

01

Don't have a developer on your team?

VitalSource's Manage system offers partners the opportunity to run an online store without the need for an API.

SET UP YOUR ACCOUNT

VitalSource can create multiple system users for easy access to Manage for the whole team.

INVENTORY

Manage your inventory and easily populate your site.

ASSIGN CONTENT

Create codes for user redemption effortlessly and seamlessly, including individual or bulk redemption codes.

REFUND CONTENT

Easily issue refunds for codes redeemed by customers. Manage permissions required—contact VitalSource for assistance.

USER EXPERIENCE

Customers want flexibility. We support both customer account creation and the ability for them to skip registration when using the Bookshelf® eReader.
