

5 Reasons to Level Up with Bookshelf CoachMe™

Imagine having a free study coach whenever you need it

1

The best things in life are free. Download your etext in Bookshelf and access your free study coach.

2

Show up to class confident. By answering practice questions and knowledge checks right in your etext, you'll be ready for tests, quizzes, and anything else that comes your way.

3

Take the guesswork out of studying. Bookshelf CoachMe shows you what you already know, so you can focus on what you need to learn.

4

It's proven by learning science. The Doer Effect proves that practice has about six times the effect on learning than reading.

5

One place to learn it all. Take control of your studies with the ability to prepare, practice, and focus, all in one place.

Studying just got a whole lot easier.
