

Level Up with Bookshelf CoachMe™

Prepare, practice, and focus take on a whole new meaning with Bookshelf CoachMe.

PRACTICE:

After answering your Bookshelf CoachMe questions, you'll be able to see what you already know, so you can focus on what you need to learn.

PREPARE:

When reading your Bookshelf etext, answer the practice questions in the margins and knowledge checks at the end of the chapter. You'll get immediate feedback on your responses.

FOCUS:

You now have one place to learn it all. Your Bookshelf etext, equipped with your own personal study coach, lets you prepare, practice, and focus, all in one place.

Studying just got a whole lot easier
