

Your Guide to Stress-Free Studying

Is studying stressing you out? Take the stress and guesswork out of studying with Bookshelf's newest feature, Bookshelf CoachMe™

1

Get **organized**

Tired of using multiple websites and study tools to prepare for class? Bookshelf CoachMe has all your study tools in one place, so you're always organized.

2

Focus on **what you need to learn**

Take the guesswork out of studying with your own personal study coach. Bookshelf CoachMe generates practice questions in the margins and knowledge checks at the end of each chapter, so you can see what you already know and focus on what you need to learn.

3

Study fast, study smart with **learning science**

Bookshelf CoachMe makes your studying more effective with the Doer Effect, a learning science principle that proves practice has about six times the effect on learning than reading.

4

Show up to class **confident and ready to participate**

Stay ahead of your assignments with immediate feedback on your answers to practice questions from each chapter. You'll show up to class more prepared, confident, and ready to learn.

Studying just got a whole lot easier.
