Subject: Save money with digital course materials from [Campus Store]

You can choose digital for savings and convenience! In addition to our new and used purchase and rental options, [Campus Store] offers digital textbooks for many of your courses.

Why digital?

- Less expensive (up to 80% less!)
- Always in stock
- Easy to buy (just click here)
- Accessible anywhere, anytime, on your digital devices – no hauling a book!
- More study features like search, hyperlinks, bookmarks, quizzes, and multimedia
- Easily delivered and accessed through [LMS name]
- Sustainable – reduced paper consumption, carbon emissions, and waste

With digital, you don't have to break the bank, stand in line, or fall behind while waiting for a book to arrive. [Campus Store] offers convenient ways to purchase digital options in person at our [building] location, or online anytime at [campus store or white label site url]. Take advantage of student choice and savings with digital options from [Campus Store].

[Campus Store] partners with VitalSource, and digital content is accessed on BookShelf®, the world's leading platform for digital course materials. We're here to understand your course material needs and support your learning journey. Email us at [insert store email address] or stop into the store and visit us in person.
